#### **A-2 State Board Review of PLSB 17-178 Evidentiary Hearing Recommendation – Haley Diane Widby**

General Counsel Ms. Lori Freno reviewed the evidentiary hearing procedures. She said Ms. Widby had two objections to the decisions of the Ethics Hearing Subcommittee. The first objection was that the hearing was not conducted in the timeframe of the law. Also, while the educator agrees that she violated Standard 1, Ms. Widby objects to the severity of the sanction imposed. The educator's objections triggered a full review by the State Board. Ms. Widby is represented by attorney, Ms. Andrea Brock.

Ms. Brock directed the State Board to the timeline listed on page 216 of the transcript provided and discussed how the hearing was not conducted in the timeframe of the law.

Mr. Pekron asked if Ms. Brock had any case law supporting what happens for failure to finish the investigation in the time allotted. Ms. Brock said there are no relevant examples, most of these cases do not end up before the Supreme Court.

Staff Attorney Mr. Taylor Dugan passed out of the relevant statute, saying it is the PLSB's position that the timeline in the statute is directory and not mandatory. Mr. Dugan discussed another case which involved a failure to follow a timeline for a dispute over farming supplies (seeds) and its relation to this case regarding how the timeline was handled. He said it is the

PLSB's position that the statute doesn't have any listed consequences for not meeting the provided timeline and is therefore directory only.

Ms. Zook asked when the objection to the timeline was first brought up by the educator. Mr. Dugan said the educator's attorney brought up the timeline objection in September 2018, but the Evidentiary Hearing Panel denied the related motion.

Mr. Pekron moved, seconded by Mr. Williamson, to dismiss the complaint based on lack of timeliness. Dr. Moore asked what would happen if the motion passed. Mr. Dugan said that the case would be dismissed and there would be no revocation of the educator's license. There was a roll call vote. Dr. Moore, Ms. Dean, and Ms. Newton did not vote. Mr. Pekron, Dr. Hill, Ms. Chambers, Ms. McFetridge, and Mr. Williamson voted yes. The motion passed.

She said both candidates have been offered teaching positions to start in January 2020. Dr. Dobbins said there have been other school districts expressing interest in the program and they are asking permission to partner with the interested districts.

Dr. Moore asked if the students would be placed into a school this spring and Dr. Dobbins confirmed. Dr. Moore expressed a concern of the distance for the Paris School District partnership. Dr. Dobbins said the Paris School District assistant superintendent is also an adjunct professor for Southern Arkansas University and would be the contact for this program. She also provided additional information regarding how the program would work for these districts.

El Dorado School District Superintendent Mr. Jim Tucker said that his district has a math instructional facilitator and a literacy instructional facilitator for additional support. Mr. Poore said the intentions for any attendance zone changes are to avoid re-segregation; improve feeder patterns; enhance School Choice options; utilize district resources efficiently; and elevate academic performance. He provided a detailed review of the potential updates to the elementary, middle, and high school zone maps and answered specific questions on each map from the State Board members.

Public comment was heard.
